A Message From

Rev. Thomas E. Trask

General Superintendent of the Assemblies of God
PCCNA Co-Chairman

The PCCNA is so pleased to be coming to Tulsa for its annual meeting. I want to commend the pastors of the Greater Tulsa area churches for the spirit in which they have cooperated. Certainly this is a day that the church can take the lead in this matter of reconciliation, and the PCCNA Conference will give testimony to what God is doing across church and racial boundaries in the spirit of Christ.
