

PCCNA Acts 2 Church Health Commission

Upcoming trainings and learning opportunities

- The Alberta Northwest Territories District of the PAOC will host its annual Church Vitalization Summit August 29-30. The theme for this year's Summit is "Reversing the Trend of Declining Christian Influence in Canada." For more information and to register, contact Jeremiah Raible at jeremiah@abnwt.com.
- Acts 2 Journey Intensive trainings are scheduled for June 15-16 and September 14-15 in Springfield, MO. These trainings are designed to help familiarize network leaders with the Acts 2 Journey process and implement the cohort structure in their unique settings. Information is available at acts2journey.com.
- More than Acts 2 Journey 125 retreat weekends are scheduled for calendar year 2023 across the US. For information, email acts2@ag.org.

Acts 2 Journey Resources

- The Acts 2 Journey has recently released a video on-demand version of its church health cohort material in English and Spanish. The video-on-demand cohort is divided into five sessions with a step-by-step user guide with suggested discussion timeframes. The five sessions include are designed to help the team
 - assess the church's current reality (Session 1)
 - discover a renewed sense of vision (Session 2)
 - clarify the values that will drive you toward God's preferred future (Session 3)
 - emerge with properly aligned systems (Session 4)
 - develop a plan to communicate the vision to the congregation (Session 5)
- Legacy Transition Group is a newly formed ministry in partnership with the Acts 2 Journey. Legacy Transition Group was created in partnership with the Acts 2 Journey to assist pastors, churches, and church boards with pastoral transition/succession planning. More information is available at <https://www.legacytransitiongroup.com/>.
